

RENFREW COUNTY AND DISTRICT HEALTH UNIT
REPORTABLE COMMUNICABLE DISEASES

Under the Ontario *Health Protection and Promotion Act*, physicians, hospital operators, laboratory operators, school principals and child care facilities must report to the local MOH any person who, in his or her opinion, is or may be infected with an agent of one of the communicable diseases listed below. Your co-operation in reporting will help to ensure prompt and complete follow-up of cases. Please report according to the schedule outlined below.

Note: Diseases marked with “>” and respiratory infection outbreaks in institutions should be reported **immediately** by telephone at **613-735-8653** during office hours. During evenings and weekends call **613-735-9926**. Other diseases can be reported the next working day.
