- is employed by or is an agent of the Operator of an Enclosed Public Space and:
  - is in an area of the premises that is not designated for public access, or
  - is within or behind a physical barrier (e.g., Plexiglass).

Staff must be trained on the policy, including how to respond in various circumstances:

- customer arrived without a mask because they forgot or don't have one;
- customer who is exempt from wearing a mask;
- customer wanting more information about the policy;
- customer who becomes aggressive about the new requirement;
- customer wanting information about the importance of wearing a mask or the science on the use of masks;
- customer asking about the availability of alcohol-based hand sanitizer (70-90% alcohol concentration);
- customer who wants to know if they can be fined.

For resources to assist with training, please visit Renfrew County and District Health Unit's COVID-19 webpage at: <https://www.rcdhu.com/novel-coronavirus-covid-19-2/>

Don't judge others for not wearing a mask. Kindness is important as some people may not be able to wear a mask or face covering.
