Key Epidemiology Messages

- ~4 weeks since province-wide lockdown implemented (Dec. 26, 2020)
- Past 2 weeks in RCD, COVID-19 trends have been moving in the right direction
 - Weekly incidence low, % positive low, community spread low
 - Preliminary evidence that lockdown measures have been effective in RCD
- RCDHU supports the decision to reopen schools for in-person learning this week
- RCDHU thanks municipalities for continuing to support and follow public health recommendations

Let's keep up the great work!
