

**Please ensure you complete, print and bring the COVID-19 Consent Form to your appointment.** To access the consent form, [click here](#).

If you answer 'Yes' to any of the questions on the consent form, you are encouraged to speak with your primary care provider before receiving the vaccine.

## WHAT DO I BRING TO MY APPOINTMENT?

### For Eligible Older Adults

- Your consent form: printed and completed.
- Your Ontario Health Card or other document to verify your age at your appointment.
- Your list of current medications.
- Your assistive devices if needed (e.g., scooter, wheelchair, cane).
- Your reading glasses and/or hearing aid if required.
- If necessary, one support person will be able to accompany those being vaccinated (e.g., mobility, hearing or visual support). Your support person will not be eligible to receive the vaccine unless they are eligible and have registered for their own appointment.

### For All Other Currently Eligible Groupings

- Your consent form: printed and completed.
- Your Ontario Health Card or other document to verify your age at your appointment.
- Youth aged 12-17 can bring a support person.

**Important: COVID-19 positive patients or patients presenting with COVID-19 symptoms are not able to get the vaccine**
