

Renfrew County and District (RCD) COVID-19 Vaccine Rollout at a Glance

Updated: July 21, 2021

Key Messages

- In an important milestone, **60% of Renfrew County and District residents are now fully vaccinated**, or have both doses of the COVID-19 vaccine. Let's keep up the great work!
- **Designated pop-up and walk-in clinics are available for first and second dose appointments.** Check the pop-up on RCDHU's homepage, the COVID-19 Vaccine Rollout webpage or RCDHU's social media for further details.
- Residents aged 12 and older **must** book/re-book an early second dose appointment as soon as possible, **as all previously scheduled appointments on or after July 18th have been cancelled.** The availability of vaccination clinics will also be reducing.
- People aged 12 and over who have been unable to book a first or second dose appointment due to high demand can add their name to the [Weekly Extra Dose Sign-up List](#) or they can contact participating pharmacies that still offer vaccinations.

Local Snapshot

Total doses administered to date | **129,329**

Percentage of population (aged 12+) with at least 1 dose | **74.3%**

Percentage of population (aged 12+) with 2 doses | **60%**

Eligible people who can book first dose and early second dose appointments:

- ✓ Anyone who is 12 years of age or older who has had an mRNA vaccine (Pfizer or Moderna) at least 28 days ago, or for those who have had an AstraZeneca vaccine at least 8 weeks ago.

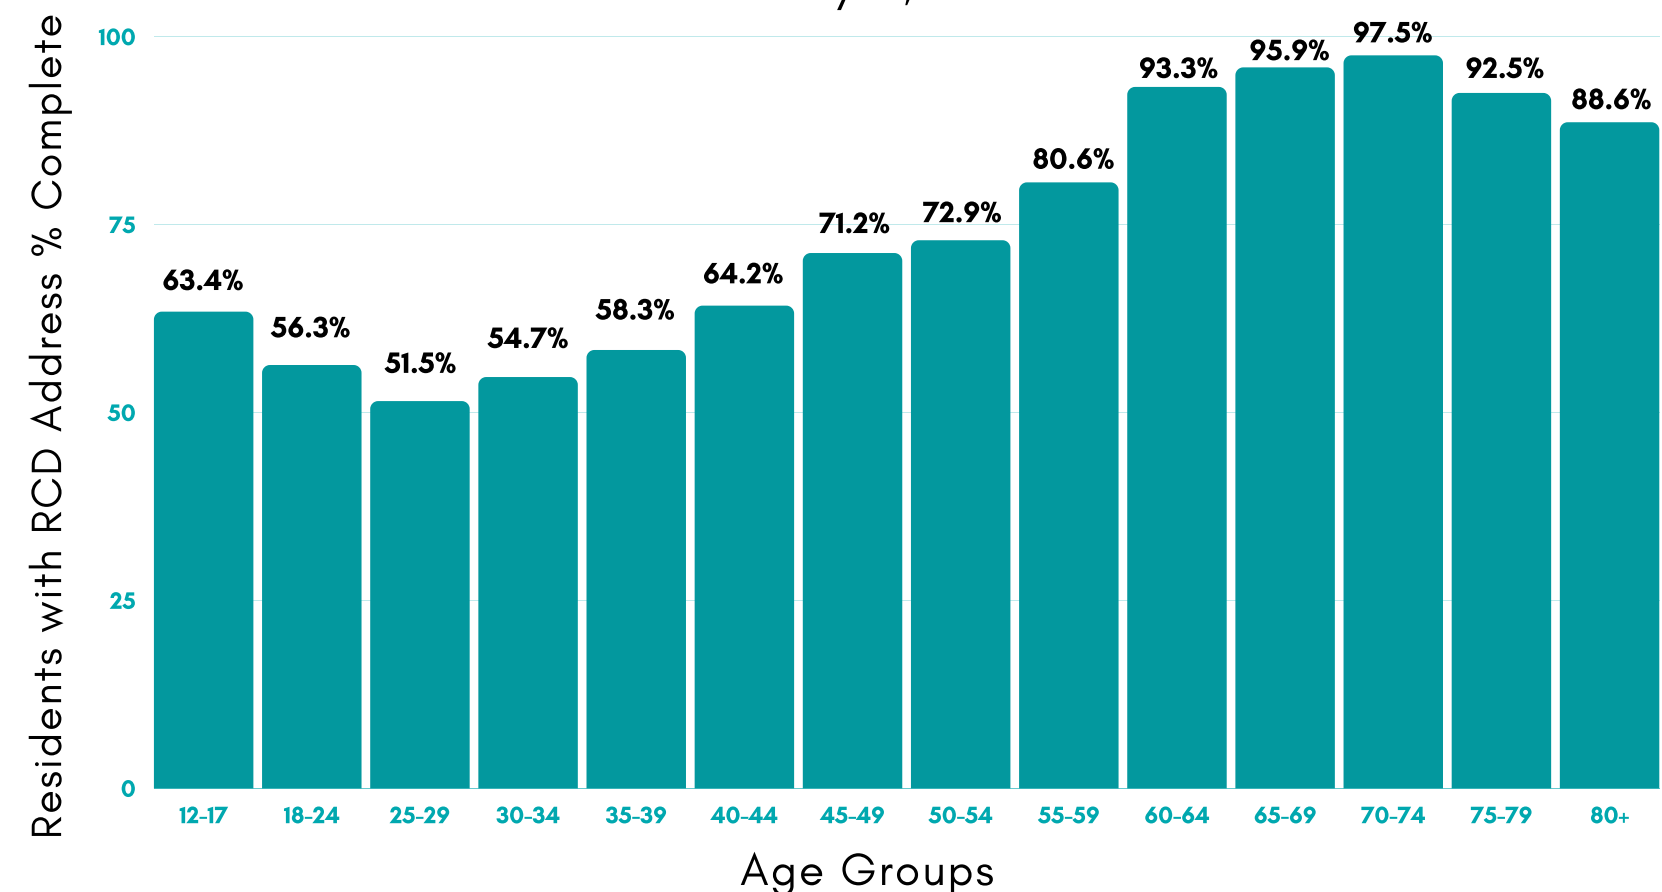

There are MANY COVID-19 vaccination appointments currently available!

Receiving two doses of the vaccine is the best way to protect yourself from COVID-19 and variants of concern. **It is important to be fully vaccinated as quickly as possible.**
