

STOP COVID-19

Do you have any of the following?

Fever or Chills

Shortness of Breath

Extreme Tiredness,
Muscle Aches/Joint
Pain*

Nausea, Vomiting
and/or Diarrhea**

Loss of Taste or Smell

Cough or Barking
Cough (Croup)

In the last 10 days, have you tested positive on a rapid antigen test or home-based self-testing kit?

In the last 14 days, have you travelled outside of Canada and been told to quarantine (per the federal quarantine requirements)?

Has a doctor, health care provider, or public health unit told you that you should currently be isolating (staying at home)?

Scan this QR code with your phones camera to access the online screening tool.

The following Questions apply only to those who are **not fully vaccinated***** or **have tested positive for COVID-19 in the last 90 days:**

- 1) Is anyone you live with currently experiencing any new COVID-19 symptoms and/or waiting for test results after experiencing symptoms?
- 2) Has anyone you live with travelled outside of Canada and been told to quarantine (per the federal quarantine requirements) in the last 14 days?
- 3) Have you or anyone you live with been identified as a "close contact" of someone who currently has COVID-19 and been told to self-isolate by a doctor, healthcare provider, or public health unit in the last 10 days?
- 4) In the last 10 days, have you received a COVID Alert exposure notification on your cell phone?

If you answered YES to any of these questions, go home and self-isolate right away. To find out if you require COVID-19 testing, contact your health care provider OR Renfrew County Virtual Triage and Assessment Centre at 1-844-727-6404.

*Only applies to those 18 years of age or older.

**Only applies to those 17 years of age or younger.

***Fully vaccinated means 2 doses plus 14-days post vaccination.
