

Renfrew County and District (RCD) COVID-19 Vaccine Rollout at a Glance

Updated: November 24, 2021

Key Messages

- **Children 5 to 11 years of age (born in 2016 or earlier) can now book their COVID-19 vaccination appointments online by visiting <https://covid-vacc-rcvtac.mychamp.ca/>.** Children must book into a COVID-19 vaccination clinic dedicated for children 5-11 years old.
- To see the latest clinic schedules, visit <https://www.rcdhu.com/novel-coronavirus-covid-19-vaccine-rollout/> or stay tuned to RCDHU's social media.
- **To obtain proof of your COVID-19 vaccination(s), please visit the following link: <https://covid19.ontariohealth.ca/>.** Ensure you have your health card with you.
- **Eligible residents** will be able to receive their third dose this week, if they received their second dose of the COVID-19 vaccine **on or before June 7th**.

Local Snapshot

As of 8:00 a.m. November 22, 2021

Total doses administered to date* **159,760**

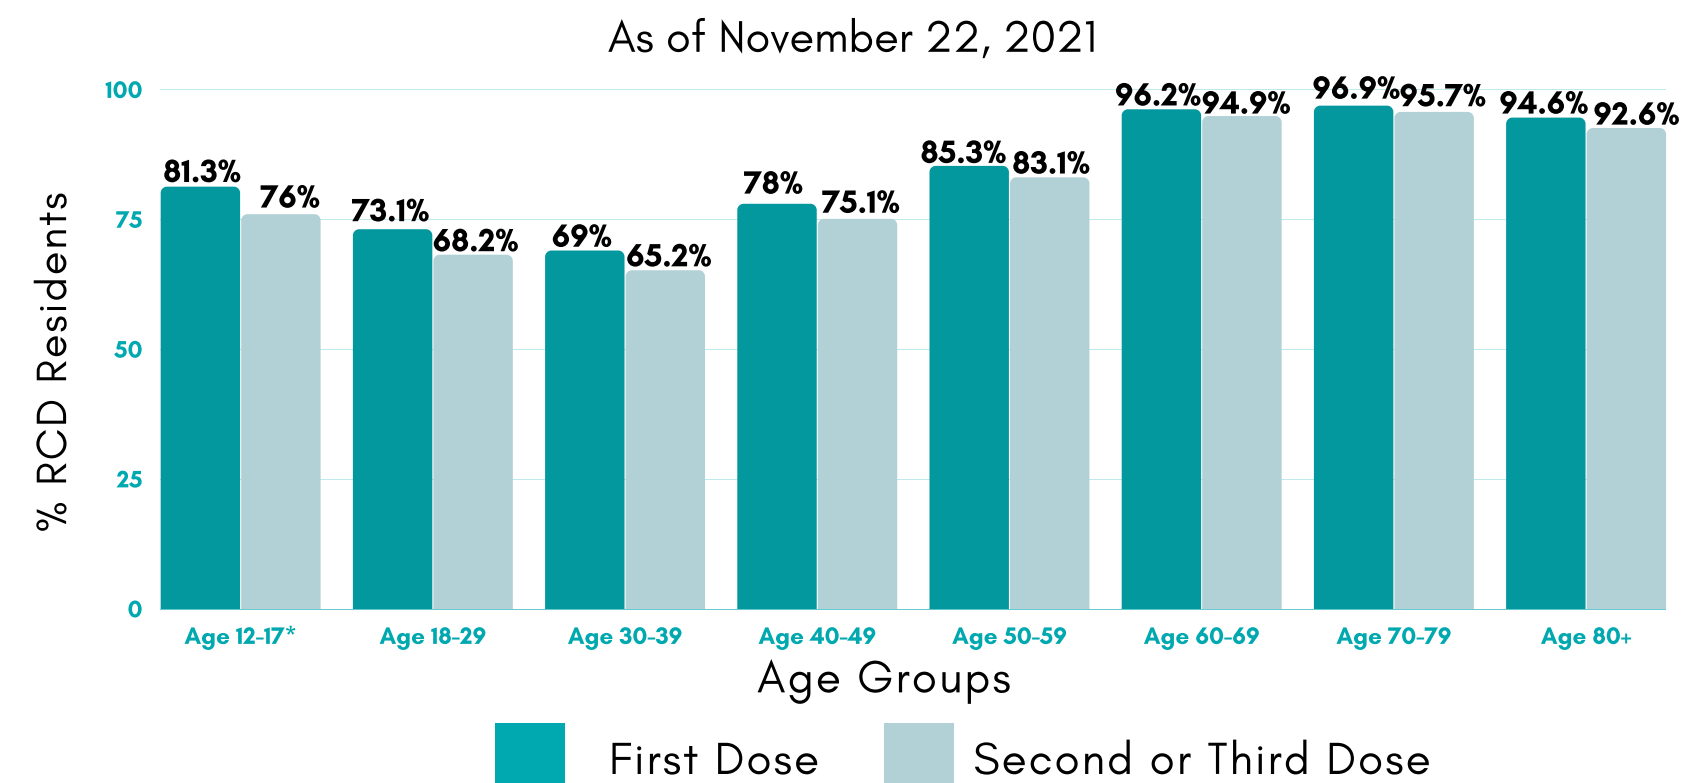

Percentage of population (12+) with at least 1 dose** **89.4%**

Percentage of population (12+) with 2 or 3 doses** **86.4%**

It is advised that **all residents in the general population born in 2016 or earlier (including those who are, or plan to become, pregnant)** receive their COVID-19 vaccine. It is important to be fully vaccinated as quickly as possible, as vaccines are safe, effective and the best way to protect you and those around you from serious illnesses like COVID-19 and variants of concern.

Percentage of RCD residents with Dose 1 and Dose 2 or 3 of the COVID-19 vaccine, by Age Groups

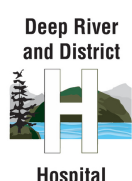

Notes: This age demographic breakdown does not include Canadian Armed Forces (CAF) members residing in RCD.

*Includes individuals born in 2009.

New data source for population estimates: Statistics Canada. Population estimates 2001-2020: Table 1 annual population estimates by age and sex for July 1, 2001 to 2020, health regions, Ontario [unpublished data table]. Ottawa, ON: Government of Canada; 2021 [received 2021 Apr 22] as per Public Health Ontario (PHO).
