

School Immunization Catch-up

CLINIC SCHEDULE

Renfrew County and District (RCD) July 01 - July 31, 2022

All children attending school between the **ages of 4 to 17 need to be immunized** according to [Ontario's immunization schedule](#), **unless they have a valid exemption**. Immunization protects children from many serious diseases that are easily spread in the community.

Under the [Immunization of School Pupils Act \(ISPA\)](#), children need to have proof of immunization against:

- | | | |
|--------------|-----------|--|
| ✓ Diphtheria | ✓ Measles | ✓ Meningococcal disease |
| ✓ Tetanus | ✓ Mumps | ✓ Pertussis (whooping cough) |
| ✓ Polio | ✓ Rubella | ✓ Varicella for children born in 2010 or after |

RCDHU is offering vaccination clinics throughout the community. **Please bring the student's health card, the immunization notice you received in the mail and all immunization records to the immunization clinic.** This will ensure the nurse can properly assess and determine which vaccines are required.

The following are school immunization catch-up clinics.

July 27, 2022	*Yakabuski Community Centre *65 Arena Rd, Barry's Bay 3:00 p.m. - 6:00 p.m. - Downstairs	Walk-ins are accepted
July 28, 2022	RCDHU Pembroke Office 141 Lake St, Pembroke 1:00 p.m. - 6:00 p.m.	Walk-ins are accepted

Note that masks must be worn when attending the clinic.

For assistance with submitting the student's immunization records, visit this link to RCDHU's [helpful resource](#).
