

## Report Your Immunization Records

Each time your child receives a vaccination, you are required to update Renfrew County and District Health Unit (RCDHU) directly, as well as your Child Care Facility.

*Please note:* Health care providers and child care providers **do not** report immunization records for you.

### How to update and report immunization records:

- ✓ **Scan the QR code** to access the ICON tool (Immunization Connect Ontario). Update your records securely online.
- ✓ **Email :** [immunization@rcdhu.com](mailto:immunization@rcdhu.com)
- ✓ **Fax:** 613-735-3067
- ✓ **Call:** 613-732-9436 or 1-833-773-0004

### Ways to get vaccinated:

- ✓ Call your health care provider and report the immunization to RCDHU
- ✓ Call to book an appointment with RCDHU at 613-732-9436 or 1-833-773-0004

To find out if your child has received all their vaccines, you can review and follow the publicly funded immunization schedule of Ontario explained on the back side of this form.

Keeping up-to-date with your child's immunizations ensures the health and well-being of everyone attending daycare.

\*Adapted from Publicly Funded Immunization Schedules for Ontario (June 2022)

According to the *Child Care and Early Years Act, 2014*, all children attending licenced childcare facilities in Ontario must provide proof of completed Immunization against the following diseases: diphtheria, tetanus, pertussis (whooping cough), haemophilus Influenza B (Hib), polio, measles, mumps, rubella, rotavirus, pneumococcal, meningococcal disease and varicella (chicken pox).

A valid exemption needs to be submitted to RCDHU for parents who choose **not** to have the child vaccinated. If a child needs an exemption from immunization, contact RCDHU by calling 613-732-9436 or 1-833-773-0004.
