

Licensed Child Care
Immunization Program Questionnaire

Dear Parent/Guardian:

Children attending licensed Child Care facilities in Ontario must have proof of Immunization against Diphtheria, Tetanus, Pertussis, Polio, Haemophilus influenzae B (Hib), Measles, Mumps, Rubella, Rotavirus, Pneumococcal, Meningococcal and Varicella. Renfrew County and District Health Unit (RCDHU) is required to have this information by law according to the *Child Care and Early Years Act, 2014, S.O. 2014.*

It is the responsibility of the parent/guardian to update RCDHU with all Immunizations. Health Care Providers do not routinely forward Immunization records to RCDHU. If a record indicating all the required immunizations or a signed exemption form has not been provided, your child may not be able to attend a licensed Child Care facility.
