

Reporting Your Child's Immunization Records

Each time your child receives a vaccination, you are required to update Renfrew County and District Health Unit (RCDHU) directly, as well as your child care facility.

Please note: Health care providers and daycare providers **do not report** immunization records for you.

How to Update Your Child's Immunization Record

Submit a copy of your child's immunization record to RCDHU by:

Online ICON Tool:

Scan the QR code to access the ICON tool (Immunization Connect Ontario) and update your records securely online.

How to Submit a Valid Exemption

For parents who choose not to vaccinate their child, a **valid exemption** needs to be submitted to RCDHU. For vaccine exemption information, please visit www.rcdhu.com.

Keeping up-to-date with your child's immunizations ensures the health and well-being of everyone attending daycare.

According to the *Child Care and Early Years Act, 2014*, all children attending licenced childcare facilities in Ontario must provide proof of completed Immunization against the following diseases: diphtheria, tetanus, pertussis (whooping cough), haemophilus Influenza B (Hib), polio, measles, mumps, rubella, rotavirus, pneumococcal, meningococcal disease and varicella (chicken pox).

To learn more about the vaccines recommended for each stage of life, visit *Ontario's Routine Immunization Schedule*.
